

THE SEVEN Cs SONG

Music by Justine de Mierre

Words by Justine de Mierre, Sam Garratt, George Shove and Kieran McCall

Verse 1

Welcome aboard the good ship Woodbridge Primary,
This is where we learn to sail the seven Cs,
And every C will help us be the best that we can be,
We'll sing our song and when we're done, we think you'll see.

Chorus

*We're all aboard the good ship, Woodbridge Primary,
Working away together now, so we can all achieve,
We're confident, we're craftsmanlike, communicative too,
Curious, committed, creative and considerate to you.*

Verse 2

Our confidence can help us make brand new friends,
If we speak out and test ourselves the fun will never end.
And Craftmanship means doing something really, really well.
We hang our work around the school, so you can tell.

Chorus

Verse 3

Communication helps us with everything we do,
We talk about our learning and we listen too.
We're curious to find out things we never knew before,
Thinking for ourselves can open many doors.

Chorus

Verse 4

We never give up, we always keep on trying our best,
We're so committed to our work, we learn from every test.
We love creating brilliant work you won't want to miss,
Artwork, plays and writing songs - just like this!

Chorus

Verse 5

We're thoughtful and we're kind to everyone we see,
Consideration makes our crew the best that it can be.
So now you know about the good ship, Woodbridge Primary,
Let's sing our song and sail along the seven Cs.

Chorus - slowing at the end
