MAKE PARCHMENT

To find

Paper, coffee,
cotton wool,
candle, hairdryer,
frying pan

Instructions:

1. Crumble a piece of paper into a ball then unfold.
2. Make a cup of very strong coffee and dab the coffee onto the paper using cotton wool.
3. Burn the edges of the paper slightly using the candle.
4. Dry the paper using a hairdryer.
5. Heat a frying pan to medium heat, hold the paper down in it for 30 seconds using a wooden spoon. This makes brown spots on the paper.
