MAKE A WAND

To find

A twig or chopstick, wool or string, scissors, ruler, PVA glue, brown paint, other decorations if wanted

Instructions:

1. Dip string into PVA glue and wrap it around the twig in whatever design you want, eg create a wider part at one end for a handle or bumpy bits along the length of the wand.
2. Glue on beads, pompoms or other decorations if desired.
3. Leave to dry.
4. Paint all over with dark brown paint.
5. Leave to dry.
6. Add other decorations such as glitter glue if desired.
