

Hello,  
We would like to wish everyone a warm welcome back, it has been lovely to see how quickly the children have settled into Year 3 as well as the different routine. The class have shown great positivity toward their work.

Equipment  
We would like to thank and remind you all about the equipment the children need to bring in daily. Please ensure they have a well equipped pencil case, reading book, drinks bottle and if possible personal hand sanitiser. The children have been great at organising their desks with ALL their equipment and taking care of the personal items.

Home learning  
We are asking the children to read daily. Please could you continue to listen to your child read at home at least three times a week. Please could you also continue to support your child to learn times tables.

## Year 3 Autumn Term Learning Poster

As the weather deteriorates, we would like to remind you to send in a waterproof coat, as we are trying to work outside as much as possible. The rain and cool winds will not stop us.

Our class topic is books by the author Anthony Browne. We will be looking at The Tunnel, Gorilla, Into the forest and What If...?  
In our Maths lessons we are continuing with our CLICs, SAFEs and Learn Its. In PE the children are focussing on a number of areas of outside physical activity including hockey, rounders and fitness.  
Our History topic is Ancient Egyptians and we will be learning about many aspects of Egyptian life.
